

## MAY 29

Got a surprise & shock today. All Japanese boys are being sent to the mainland to be organized as a provisional combat unit together with boys of Japanese ancestry on the mainland. All Japanese boys gathered in theater & a very straightforward & frank talk given by major general of 25<sup>th</sup> Div. & by the colonel of our regiment & the above he emphatically pointed out was most probably although it seems like it has clearly been so decided, 10% of the company, Japanese boys only, will go out on 6 hr leaves starting today until all have had a chance to go home before we go. Yutaka went home today & "M" & the rest all know about it already. I go home tomorrow morning at 6:00 a.m. to 12:00 noon. Home tomorrow so I had gave him a box of chocolate & 4 boxes of gum to take home for me.

## **MAY 30**

Went home today at about 9:00 a.m.  
Was originally scheduled to leave at  
6:00 a.m. but matter or organizations came  
up & was therefore compelled to stay  
until over. Family already knows  
about all Japanese boys in Army are  
leaving for mainland. Mrs. Nishimura  
came over to help & prepare the eats -  
informal dinner w/ the Nishimura kids,  
Mr. & Mrs. & Taka chan. Yutaka's mother  
came over and oh, I feel so sorry for  
her. You know Yutaka's the only male child &  
this has hit her pretty hard. Gave me  
some things to bring over for Yutaka's which  
I promised I would do for her. Told her  
not to worry about it.

Called Dorothy at office. Not there,  
a case of predicted (?) sickness. Agnes on phone.  
She was shocked to hear about it. Had heard it  
from Ito but thought that he (cont. on memo page)

was kidding. Talked to Bertha also & said goodbye to her. Transferred to Mrs. Nicodermus & then to Miss Sue Hyland. Promised to write them as soon as possible. Asked her to say goodbye to the rest for me. Sung Dai wasn't in – he's in Hilo at present & Florence was not around at that particular time. Called Mabel & she seemed genuinely shocked – couldn't believe it – well said goodbye to her & to Sam by proxy. Dorothy's mother called & told me to drop in by. Ate dinner with bunch & picked up Hisashi Kamori, he happened to want to go to town too. First went to Benson Smith & saw Lefty's girl Kay Yoshimoto & Lefty sister-in-law was there. Poor (?) girl. Talked for a while & said goodbye & then went over to Dorothy's. She & her mother gave me 2 boxes of chocolates & "senbetsu" of \$5.00 & 3 rolls of comic magazines. Talked

## **JUNE 1**

for quite a while with both of them.

Mother is a nice lady. Promised to write.

Called to visit Agnes but she wasn't at home either at her sister's or at her parent's. Saw the second to the youngest child & told him to say goodbye to Willis & Agnes for me.

Visited Kihara, Nadnae (?) & her mother & Natsuko who was just coming home. Went right

on to Murakamis. Kaname san had gone to a funeral & was not at home. Saw the lady & she gave me an address of Yutaka who is now in Oregon & to look him up in case

I should be there. Took pictures in the morning with the Agnes C2 (?) & Iwa, Ichi

& I went to a studio to have our pictures taken. Hope it came out good. Took a bath, ate little & picked everything ready

to go back at 4:25 p.m. Parting was pretty busy.

Hisashi, Masayaki, I & 2 others came back on ? bus. \$5

Nishimura, \$2 Yutaka, \$2 Omai

## **JUNE 21**

Received notice that we were to work together with those from E Co. at Regmt'l Hdqtrs. Wore fatigue clothes and went to Fort De Russey, just out of post across Swanky Franky in Kalia to work stacking barb wire pickets & unloading barb wire. Took it easy. Called home at 12:00 noon & got \$35 which Ichi brought over. Matsuko, Aiko, Yoshie went with him Oh they also brough some pies. I now have about \$60 in my purse. Darn it I could have sneaked home on pass, which I had with me had I worn CKC Uniform. Called Willis on phone. Working, not home. Agnes not home either. Sung Dai ? from trip. Called but told phone disconnected. ? work at 4:00 p.m. Drank so much soda spoiled our appetite for supper.

## **JUNE 3 2**

Received pay today. Totaled \$31.13 - insurance & laundry deducted. Asked "Pop" for pass to go home & complete some Business. Said to wait until he got back from lower first. Came back at 1:00 p.m. Too late already to go home so decided not to ask. Got my goat - If I had not handed in my pass I could have sneaked home. Called office this morning at about 9:00 a.m. Talked to Agnes, Sung Dai & Dorothy which I had to cut off since time was up.

Otomitsu (?) brought some lemon preserves from Sung Dai for seasickness – in case of.

Yoshitagawa (?) just through working, came up & talked for a while w/Takashige, Major, Haruo Doi & I.

### **JUNE 3**

Called office & spoke to Agnes, Dot & Sung Dai. Meant to call home but too many fellows waiting. Had inspection of all personal & other equipment, for shortages, etc. & placing of articles in sequence in respective barrack bags – 2. Had physical inspection at 1:00 p.m.

Tom Ibaraki brought over “senbetsu” from Fujika, \$3.

Wrote letter to Ichi re important papers, e.g. insurance, savings, etc. Expect to phone them again sometime tomorrow.

Notified to go on guard tonight.

P.S. Stood guard from 12:00 M to 3:00 a.m.

Post #1.

**JUNE 3** – Felt tired this morning. Lack of Sleep last night. Slept for a few hours.

Checked on shortages, name not called.

My reported shortage not requisitioned – so says the supply sergeant. Don't know

### **JUNE 5 3**

why. Told to wait until all other have theirs & if left over I'll get it. Supply sergeant is very inefficient I'll say. Burns me up. Waiting for about 4 days for my pistol belt & still not received. Should receive also 2 pr. socks, 1 pr leggings, 1 denim cap. Got field jacket today. Sleeve too long – size 34 L. Had roll call of “B” Co. at 6:30 p.m. Called in order of way we will enter ship. Told to set out “B” bag – to be stored in ship's hutch at end of co st. by 7:30 a.m. tomorrow morning. Packed both bags & everything is ready.

**JUNE 4** – It finally appeared that the order of our troops here leaving her is finally taking shape. All bags, B, were packed & laid out to be placed in ship's hatch. With permission of Capt Johnson saw Major Lovell & obtained pass for leave up to 4:00 p.m. Left at 10:00 a.m.

## JUNE 6 4

& reached home at 11:30 a.m. Didn't leave me much time to go around since time of trip will consume about an hour or so. First ~~conducted business~~ home & together w/ Ichi & Bishop Nat'l Bank & changed my savings to a joint acct Ichi & I. Then to Terr. Bldg & Loan Co. for transfer of my acct to Iwa & Ichi. Business completed visited office. Saw Dick, Gentzel, Dot, Bertha, Sung Dai & the rest of the boys & girls of the office. Agnes & Florence & Sue were not in office. Received parting gift of \$3 from Bertha (senbetsu). On way back decided to drop in on Holcomb. Did & talked for a while & bid him goodbye, nice fellows all. So short a time to do so little. Got home about 2:30 p.m. Ate & dropped over at Yukata's he just happened to come home then. Started for camp at 3:50 p.m. Picked up Lefty & girl friend at Hawn Pine entrance. Ichi drove. Reached camp about 4:30 p.m. ~~Reached~~ Received victory (?) today. Issued to all Japanese boys here. Mine is from a Janet Komori Kalihi St. Will

## **JUNE 7 4**

write letter of thanks as soon as time permits. Oh gave Ichi \$4 & Iwa \$5 as a gift for graduation. Oh I must remember to send Dai a picture as soon as I get it – a good one. Notified that we will board ship tomorrow at 9:00 a.m. Should be ready at 8:00 a.m. tomorrow.

**JUNE 5** – Well, it has finally come.

We started moving out today at 9:00 a.m.

Started out on truck & then transferred onto train. Train came on to wharf – pier 26.

Every body was on board by 1:00 p.m. SS Maui.

Settled in bunks a little before 3:00 p.m.

Started sailing at 3:00 p.m. Well, here

We are on our way at last. Sea is calm

but by night quite a few are seasick.

I haven't been affected yet. Slept on

top deck up to 1:30 a.m. Came down to

bunks & slept until 8:00 a.m. Oh, I took

a bath last night – salt water only-

lousy.

## **JUNE 9 6**

Woke at 8:00 a.m. to brush teeth. Only salt Water. Soap does not form later. Had to use water from canteen. Stayed on top deck all day. Nothing unusual.

After all that saying “Water, water every where but not a drop to drink” seems bearing here that is it applies indirectly to our shower bath – fresh water. Feel a little woozy once in awhile. Otherwise ok.

**JUNE 7** – Did nothing today. Stayed On top deck practically all day.

Didn't feel so good during morning.

Had some fun during afternoon & improved. Slept on top deck last night. Too cold so came down about 2:30 a.m. & slept in bunk.

**JUNE 8** – Did nothing today. Stayed on deck all day. Felt much better today. Just stayed up watching card

## **JUNE 9**

games. Looks like it will cold tonight.

**JUNE 9** – Nothing as usual. It's getting colder now. Had a nice warm sleep last night on that top deck. Felt best so far on this trip. Go on guard tonight from 10:00 p.m. to 12:00 p.m. as surface lookouts.

P.S. It was cold ~~last~~ tonight. I'll make it a point to bring out My blanket tomorrow night. The sea was calm today. With it gradually getting a little rough.

## **JUNE 10**

Had no sleep up to 12:00  
midnight last night. Guarded  
from 10:00 p.m. to 12:00 midnight.  
Woke early this morning at  
6:00 a.m. Felt tired – lack of sleep.  
Guarded again today from 10:00 a.m.  
to 12:00 noon. Ate & sleep to about  
4:00 p.m. Will go on again tonight  
at 10:00 p.m. Cold out on deck  
today & windy also. Sea getting  
rough – someone of them's  
sick again. I'm feeling ok  
seems used to it already.

## **JUNE 11**

~~Wed~~ Thurs- Sea has become very rough today or should I say that we have instead hit rough waters. Felt all right up to about late afternoon when I felt a little dizzy head-achy. Got it from staying below deck too long. Fresh air on deck helps a lot. Boy, but it's sure rough. The ship pitches & rolls like a really small inter-island boat – the sea is that rough – had been feeling ok up to now. Although so far I haven't missed a single meal. Well I guarded today again from 10:00 a.m. to 12:00 noon & I'll go again tonight at 10:00 a.m. to 12:00 midnight. Boy it's cold like heck & dark too.

## **JUNE 12**

Friday – Got up about 7:00 a.m. this morning & dressed in OD pants & shirt preparatory to reaching port. They say will reach port about 1:00 p.m. Heard other rumors that we'll reach tomorrow morning instead. Did not eat breakfast this morning. Felt too tired & woke late & did not feel any too well, what with the headache I had. Felt pretty lousy today.

Guarded today from 10:00 a.m. to 12:00 noon.

Slept on top deck & with sun up & we hitting calm waters at about 3:00 p.m.

First sighted land at about 4:00 p.m. my head cleared somewhat and what a relief it was. Sighted & entered San Francisco harbor at about 5:00 p.m. It was a beautiful sight indeed. What will all the modern buildings. Twas really a sight though I don't ever hope to forget it. And the Golden Gate bridge it sure is an example

**JUNE 13** (note – still 12<sup>th</sup>)

of men's ingenuity & skill. Lefty says he saw a whale just before we entered the harbor, (I didn't though) passed thru San Francisco & docked at Oakland port. Just beyond Golden Gate bridge we saw Alcatraz prison of those hardened criminals. It had fine buildings, modern, & didn't look like no prison at all. An island all by itself & separated from the mainland by about a mile of water around. Passed under the San Francisco-Oakland bridge which is much longer than the Golden Gate bridge – connects S.F. to ~~Oakland~~ Treasure Island to Oakland. And Treasure Island with all its buildings – all places we've read & heard about so much. ~~Hi~~ Docked at 7:00 p.m. & when we finally got out in the wharf it was already 9:30 p.m. & no blackouts here. Reminds me of the Pre War Honolulu. Boarded Pullman.

& other small hick towns of Utah.

Entered Wyoming about 10:00 a.m.

this morning. Passed towns of Bitter

Creek, Rawlins, Praco, Laramie,

Sherman & Cheyenne in sequence

(forgot other names). Laramie was

pretty big about the size, I'll say,

about Wahiawa or Waipahu. Cheyenne

was the largest. We just stopped, passed by

& didn't go into the town. It seems like

~~they~~ it's just a little smaller than Honolulu

or may be bigger, I don't know. The

others are very small dotted w/just

a few houses & business district, if any.

Otherwise in between it's just

plains & mountain sights. It

gets to be pretty cold during the late

afternoons & continues getting colder

until early morn. We just reached

Sidney, Nebraska & its 7:05 p.m. now.

## **JUNE 16 14**

(Note: original of this diary page is missing)

Just talked w/one of the ?

a middle aged man, a he says that

this town, Sidney is just 60 miles

away from Cheyenne. ? is

much smaller although it looks like

a good sized town bigger than Wahiwawa/

Ewa/Waipahu. He says we still have about 470 miles

more to go before we're out of Nebraska.

Nebraska is noted for its wheat & of minor

importance is corn. Iowa is the

great corn producing state. Still a long

trip to go.

**JUNE 15** – Passed several towns last night,

Small. Stopped at North Platte at about

11:00 a.m. & received some apples from

the folks there. Passed Sergeant Bluff,

Sioux City (8:30 a.m.), Leeds, Hospers (9:50 a.m.),

Sheldon, Lake Crystal, Mancado, Meridan (3:35 p.m.),

Owatonna (4:00 p.m.), Rochester (5:00 p.m.),

St. Charles (6:00 p.m.). Average, just

small towns that we just reach  
& before we know it whiz by. Read  
practically all day. Reached our  
destination at 9:00 p.m. & lodged in  
tents – Camp McCoy. Went to PEx there  
& bought a Sheaffer pen, list \$5 for \$3.75.  
Tonight is cold. Just got thru a shower bath –  
practically freezing, cold weather. Camp  
is really in the sticks. The nearest town is  
6 miles away.

**JUNE 16** – Did some fatigue work in  
morning & went to the P.Ex during afternoon.  
They sure are buying the place up. Bought  
some post cards. Pens are going fast. We  
don't do any guard work.

**JUNE 17** – Woke up early this morning  
at 5:45 for reveille at 6:00 a.m.  
Had close order drill & instructions  
On military courtesy, interior  
guard duty & articles of war were

## **JUNE 18 17**

read to us. Afternoon we played some games or should I say we ran races & placed up to 4:00 p.m. Stood retreat at 5:00 p.m. Night's pretty warm – not so cold as last night.

**JUNE 18** – Woke at 5:45 a.m. & stood reveille at 6:00 a.m. Started drilling from 7:30 a.m. Calisthenics first, then some close order drill & then lecture on military hygiene & first aid. Afternoon spent in tent kitchen & map instruction. Went to recreation room & played some ping pong tonight. Oh last night I wrote letters to Dorothy, Agnes, Ichi, Sung Dai, Bertha & cards to Mr. & Mrs. Nishimura, Tadachi Ueoka, Social Security Board, all letters dated June 16. So far getting back into the ice cream habit. Ate 1 pint yesterday & 1 pint today. It's 9:00 p.m. & still lighted.

## **JUNE 19**

Did not wake up for reveille. No bugle call & no way of knowing time to get up. Had calisthenics, close order drills & at 8:30 a.m. started on a 5 mile hike w/pack, gas mask & pocket belt. Reached destination & pitched tent. Pretty tired out. Afternoon had close order drill then did fatigue work up to 4:00 p.m. Ate & left camp on leave at 6:15 p.m. w/ Fred, Komatsu, Kewpie, Kawamoto & Kimura. Reached Sparta & shopped around a bit. Small town but nice. Caught taxi & went to LaCrosse, reached at 7:00 p.m. Walked around & shopped. Late supper again at 9:00 p.m. Had T-bone steak. A large juicy one. Best I've eaten so far since coming into the army. Did a little more shopping. Covered the whole town before 11:00 p.m. People here are very friendly. Give you a smile & a hello greeting, almost everytime they see. Even the girls here, most of them

## **JUNE 20 19**

though are very young. There young kids (?)  
are in town up until very late, about  
10:00 p.m. to 11:00 p.m. I guess it's because  
the residential district is right next to town,  
adjoining. Have a Sears, Montgomery & Ward.  
Woolworth department stores here, chain.  
Reached camp at 1:30 a.m.

**JUNE 20** – Free and for reveille. No  
bugle call. Calm & drill & rained  
At 8:00 a.m. so went into mess hall  
& had instructions on map reading. Also  
gas mask drill just before lunch. From  
1:00 p.m. to 4:00 p.m. was recreation period  
& compulsory every one participate in  
it. Lots of fun, although tired.

No where to go tonight. No show  
here tonight. So read a little &  
slept quite early.

P.S. Last night ate ?

## **JUNE 21**

No reveille this morning. Ate breakfast about 7:30 a.m. & washed underwear & socks, handkerchiefs – about 30 pieces in all. Received pass for leave & went to LaCrosse w/Fred, Komatsu, Oguro, Kawamoto & Ono. Walked to Mississippi River just along Outskirts of town & walked on Bridge #300 – new bridge over the Mississippi & crossed into Minnesota – that is we walked as far out the bridge & passed the other side of the river anyway & that's supposed to be in Minn. Walked around ? more then ate lunch at Bodega Lunch Room – serve yourself service – good food & moderate prices. Rode bus & streetcar – just for the hell of it. Met a Mr. Jimmy Kapelas who obligingly offered to take us up to Grandad Bluff & back. Stopped on way at his home & introduced to his wife & each of us drank a glass of whisky. Nice people. Grandad Bluff is

## **JUNE 22 21**

to LaCrosse as Punchbowl is to Honolulu.

Had a nice time. Oh & we saw

apples for the first time – growing

on trees – not season yet so still small.

Attended show at Hollywood Theatre & saw

“My Gal Sal” starring Rita Hayworth & Victor

Mature. ~~Went~~ Ate supper at Star Café &

then went to shore of Mississippi & took

some picture. Went to bowling alley &

bowled a “116” game. Came back at

9:30 p.m. All in all had a nice time today.

**JUNE 22** – Woke up at 5:40 & stood reveille

at 5:55 a.m. Boy its cold like heck.

Started out w/usual calisthenics, then a little

close order drill. After that had instructions

on map reading again. Instructions in afternoon

on care & cleaning of clothes & equipment.

At about 2:30 p.m. given permission to cut

hair – which I did. 40 cents. Saw “They

All Kissed the Bride” starring Melvyn

## **JUNE 23**

Douglas, Joan Crawford, Helen Parrish, Roland Young, etc. It's a good picture. Weighed 121 today.

**JUNE 23** – It's very cold this morning.

On top of that feel a sore throat coming on. Started calisthenics at 7:30 to 8:00 a.m. Hiked from 8:00 a.m. to ~~12~~ 11:45 a.m. – distance of about 8 – 10 miles. Glad that this is over. Feet aches. We're in for another on Thursday. Feel tired all over. Afternoon listened to lecture on scouting & patrolling as yesterday, then about interior guard & mounting of new guard. Nothing doing today. Name was on list for those going on pass but was crossed out, don't know why. Throat pretty sore now.

## **JUNE 24**

Wednesday – As usual did calisthenics for half an hr. up to 8:00 a.m. On my reading from 8:00 a.m. to 11:15 a.m. learned how to orient map & ourselves on map & took a hike up to swimming pool in back of camp studying features of terrain & comparing w/map as we went along. Afternoon spent for recreation – compulsory. Played softball & had lots of fun – first time – that is for a long time – that I enjoyed playing it just for the sake of playing – No retreat today.

## **JUNE 25**

Cold again this morning & cloudy. As usual started w/calisthenics. Started raining & went into mess hall at 8:00 a.m. for instructions on scouting & patrolling & back out on the field for some close order drill. Afternoon spent in gas mask training & extended order drill. Got pass today. Went to Sparta. Ate T-bone steak meal \$1.00. Weighed 125 #. Went bowling immediately after. Bowled 8 games. Scores were 108, 124, 124, 127, 127, 139, 160, 131 & was 124 in 7<sup>th</sup> frame when it had to be called off on account of the place closing at 12:00 midnight. Last game had spares for frames 102, strike in third, spares for 4, 5 & 6 & had score of 124 in 7<sup>th</sup>. Could have made my highest total had I completed the game, I think. Lefty, Fred, Komatsu & Oguro all bowled together. Had a lot of fun. Hike on for tomorrow.

## **JUNE 26**

Went on hike today w/full field pack. It was a short hike although we climbed a hill & pretty tired climbing. Pitched tents at end of march back in camp.

Afternoon taken upon practice of the hand salute & method of requesting, or rather reporting to company commander. Also on hand grenade lecture and practice on throwing.

Saw picture "Guns for Hire" at the camp theater starring Preston Foster & new actor Alan Ladd.

Oh, took my field jacket to (15 ¢) be fixed & my O.D. uniform to be cleaned & pressed 75¢.

## **JUNE 27**

Pretty warm this morning. Had close order drill – double time march. Took up extended order drill by ? . Signed up for bowling team, try out & went on Army truck – 10 from B Co – to Sparta for practice bowling at the new bowling alley. Happy I scored 109, 132 & 160. Not bad.

Saw double bill picture tonight “Submarine Raider (John Howard) & “One born Every Minute” w/Tom Brown, Peggy Moran & Hugh Herbert.

## **JUNE 28**

We were supposed to go out on pass tonight but asked Corporal in orderly tent for pass during the day and received same. Went to La Crosse & rode President Steamship, ferry on an excursion trip. Took off at 10:00 a.m. A heavy downpour of rain & I mean heavy – so heavy you couldn't see ahead of you more than 5 ft. Nothing much in the way of scenery. Lots of you boys & girls & their parents. Also had dancing there. Fred, Komatsu, Kimura, Oguro, Shinohara & I. Passed two dams w/locks. Reached Winona at 3:50 & picked up another crowd of passengers & boat really filled. Reached back at La Crosse about 8:00 p.m. Went to see Mr. Kapela, Oguro gave him some pictures, we ate some hotdogs & soda. Took taxi to Sparta. ? Lefty

## **JUNE 29 8**

& bowled. I bowled seven games. Scores  
132, 147, 162, 146, 133, 151, 151, Not bad,  
improving. Average of 146. Fred made ~~156~~165.

~~**JUNE 29**~~ – Not cold at all this  
morning. Had calisthenics & close  
order drill. Saw a movie on the proper  
use ? of the gas mask.

It rained terribly yesterday & today.  
Some tents were flooded w/water but  
ours weren't so bad although one cot  
got all wet. My bed had a continuous  
drop of rain falling at one spot. Took  
time out in morning to "sun up" our  
beds & tents. Dug ditches around tent.  
Saw show "Ten Men From West  
Point" starring George Montgomery  
& Maureen O'Hara – good  
picture. Mailed letter including  
post cards to Ichi, dated last  
Friday, June 26, 1942.

## **JUNE 30**

Had physical drill as usual first thing in morning. Then saw 2 reels of Map Reading. Fell sleepy don't know why & slept mostly thru picture. Last reel show "Sex Hygiene," very educational & revealing. Wide awake this time. Spent remainder of morning on map reading.

Afternoon had preliminary marksmanship lecture & lecture on military sanitation.

Saw picture at camp ? "The Cardboard Lover" starring Robert Taylor, Norma Shearer, George Sanders. It's a good picture.

Nobody went on leave tonight. That is from our company. Had to sign payroll.

Today's my birthday - 26. Getting along in years.

## MEMORANDA

**JULY 1** Same again this morning on physical drill. Went on hike from 8:00 to 10:00 a.m. Hike wasn't so bad today. Had preliminary marksmanship sighting, etc up to 11:45 a.m. Afternoon waited up to 3:00 p.m. for physical examination for ~~h~~ insurance but too many guys & seemed like we would never be reached so left. Took a hot shower for the third time since I come here.

Saw "Friendly Enemies" starring Charles Winniger, Charles Ruggles & Nancy Kelly – good picture – patriotic & spy picture.

## **JULY 2**

Same thing today.

Afternoon, right after lunch, saw picture of army instructions, bad examples of, & a reel of “cover & concealment” pertaining to scouting & patrolling. Felt sleepy as heck again today. Couldn't keep eyes open in theatre.

Wrote letter tonight to Ichi & sent some photographs taken on Sunday, June 21, when we to La Crosse. Seems like another cold night. Same movie tonight as last night. Expect to go on leave tomorrow night & go bowling.

### **JULY 3**

Went on hike this morning from 8:00 a.m. to 10:00 a.m. Also included in hike was the double time march. Had bayonet drill – no bayonets or rifles received yet to drill on defense from knife. Afternoon given test & discussion on same.

Got leave tonight so went bowling & scores were 127, 149, 130, 178, 101 & 123. Average of 135. I scored my highest games so far here & my lousiest games so far here. Have a very good chance to score pretty heavily on the 2<sup>nd</sup> & 3<sup>rd</sup> games but slacked down terribly during the late frames.

Tonight is cold again.

## **JULY 4**

July 4<sup>th</sup> - No drill today –  
National Holiday (for us). Stayed  
back in camp. Slept late morning  
up to about 10:00 a.m. Washed  
clothes. Afternoon slept about  
an hour and a half. Attended  
6:30 o'clock show at camp theatre.  
Double bill of "Atlantic Convoy"  
and "Smart Alecks" starring  
the Dead End Kids. The former  
featured Margaret Lindsay. ~~The~~  
I enjoyed the second picture  
"Smart Alecks" very much. Comical &  
sad. Played card up to 11:00  
p.m. w/Fred, Komatsu, Oguro, Shimabuku  
& Shikamura.

## **JULY 10**

Physical drill at 7:30 a.m.  
Started on hike at 8:00 a.m. w/  
light combat packs. Reached  
Silver Lake, six miles out at  
11:05 a.m. Rested up to 11:30 a.m.  
Had a little lecture on field  
defences. Ate lunch there  
at 12:00 noon & rested up to 1:00  
p.m. Continued lecture on  
same subject up to 2:00 p.m. By  
squads, separately walked thru trees &  
brushes & found our way to road  
on other side way home. Started  
marching back in a company at  
about 3:00 p.m. Kept up a fast pace
